DIARY NOTES

	DD/S	21 April 1960
25X1A6a	1. I spent the morning participating in a briefing for Bob Macy, Ben Ellington, Bureau of the Budget, on the "Base Development Plan 22 April Bob telephoned to say that they had reached a position on our	' (On
25X1A6a	the structures to permanent construction. This position c	an be summarized
25X1A6a	as follows: (a) If we have decided that we do need a permanent base of agree that is a good place and that the time has come to conv	ert it to permanent
25X1A	construction; (b) while they would have no objection to spending a little some planning, they feel that we should "touch base" with the appropriate Congress prior to letting any actual contracts; (c) they believe that	late committees of
25X1A6a	should be considered jointly with whether we should deactive to the should deactive to the should deactive to the should be considered jointly with the should be considered in the shou	April the Director
25X1A6a	this be a part of our consideration. In this connection, however, he s	
25X1A	would continue to be interested and sug over the area carefully to see if there were another place which	gested that we look h could be provided
